

Internal Trainer/External Auditor

Millstone Medical Outsourcing is a fast-growing company in need of motivated individuals to assist in its expansion. We are looking for an enthusiastic individual to join our team as an Internal Trainer/External Auditor. Millstone Medical Outsourcing's business focus is sterile and non-sterile packaging of medical devices. Millstone also engages in other activities, such as mechanical inspection and assembly, which are designed to meet the outsourcing requirements of medical device manufacturers seeking to reduce costs while maintaining high levels of quality, accuracy and timeliness. Millstone Medical Outsourcing is FDA and ISO registered and employs a detailed internal quality system to ensure ISO compliance.

Job Description:

We are looking for exceptional candidates who are eager to pursue an extremely rewarding career in the medical device industry. The individual in this position will be responsible for developing and maintaining a comprehensive training program that provides understanding, practical skills and motivation to carry out particular work-related tasks. This individual will also travel to various vendor facilities to perform quality audits.

In addition, responsibilities will include fostering teamwork and building effective teams committed to organizational goals. Each day will provide a variety of challenges along with the opportunity to develop your potential and grow professionally working alongside talented colleagues. Recent college grads are encouraged to apply!

Skills Required:

- Excellent written and oral communication skills
- Bachelor's degree
- Proficient in the use of Microsoft based applications
- Ability to work in a team environment
- Ability to travel to various vendor locations

What you can expect to receive at Millstone:

- Exceptional leadership and management experience
- Medical device industry experience
- The opportunity to work some of the top orthopedic and medical device companies in the world
- ISO 13485 training

The individual in this position will be afforded plenty of opportunities for personal and professional growth in a budding industry. Receive ongoing training to build and extend professional, technical and management skills.
