

## Web Developer/Network Support – 2<sup>nd</sup> Shift

### Job Description:

Millstone Medical Outsourcing is looking for an energetic individual to join its IT Department on the 2<sup>nd</sup> shift (12:00 pm to 8:30 pm). Millstone is a fast growing, fast paced medical service provider for some of the top Orthopaedic companies in the industry. Millstone is a FDA registered and ISO 13485:2003 compliant company.

### General Responsibilities:

In this position you will be mainly responsible for setting up new customer web sites, updating our ERP web based system, and support for all of our web sites. Secondary responsibilities will be all other IT related operations within the company including managing and supporting our internal LAN, email system, backup systems, firewalls and routers, web and print servers, etc.

### Skills Required:

ASP, JS, VB, SQL, MS Access, Flash, HTML

### Other Desired Skills:

Dreamweaver, Exchange Server 2003, W2K3, SharePoint 2003, Symantec Backup Exec 10, Office 2003/2007, Windows 2K/XP, Firewall, SQL 2003, W2K8 Server.

**Education:** BA or MS preferred.

### Contact:

Please send your resume and cover letter along with your salary requirements to [hr@millstonemedical.com](mailto:hr@millstonemedical.com).
