FOR IMMEDIATE RELEASE

Millstone Medical Outsourcing Opens Sales Offices in CA, IN

Fall River, MA – February 16, 2012 – Millstone Medical Outsourcing announced today that the company opened sales offices in San Diego, CA, and Warsaw, IN. With new offices positioned in two important regions for the medical device industry, Millstone will be able to provide customer-specific program development as well as broaden the company’s customer base. Jonathan Tillman, Senior Vice President, will run the San Diego office, and Tom Lowe, Vice President of Business Development, will be responsible for the Warsaw office. Millstone, outsource partner to the nation’s top orthopedic companies, is the fast-growing provider of advanced inspection, clean room packaging, loaner kit processing, and distribution services to medical and dental device manufacturers worldwide.

“As a growing company, Millstone is continually exploring new ways to offer support to existing customers and to reach new medical device manufacturers who would benefit from our outstanding outsourcing services,” said Chris Ramsden, Millstone Chief Executive Officer. “Our goal at Millstone is to help our customers by delivering cost-effective solutions that speed products to market while ensuring the highest level of quality.”

About Millstone Medical Outsourcing

Millstone Medical Outsourcing is a leading provider of customized outsourcing solutions to the medical device industry. With a client roster of over 50 prominent companies in the orthopedic sector alone, including nine of the top ten, Millstone delivers superior quality service, unparalleled expertise, and guaranteed ROI. The company offers advanced inspection, sterile and non-sterile packaging, loaner kit processing, and distribution services to device and product manufacturers worldwide. Millstone is privately-held and operates state-of-the-art facilities in Fall River, MA, and Memphis, TN. The company is FDA registered and ISO certified by BSI, Inc. to ISO 13485: 2003.
